A BRIDGEPORT REGIONAL BUSINESS COUNCIL PUBLICATION

# Advocacy Means Business for the Bridgeport Region!

## Commerce and Community Connect to Amplify the Voice of the Greater Bridgeport Region in the Halls of Government

The Bridgeport Regional Business Council (BRBC) concentrates its work in four primary categories or pillars that support our overall mission to grow jobs and tax revenues for our region. Economic Development, Leadership Development, and Business Development are three of our core pillars. We work everyday to drive economic growth, to train business and community leaders for our region, and to increase visibility and business opportunities for our member businesses and the business community at large.

Our fourth pillar focuses on government relations and political advocacy. And, throughout the year, BRBC provides important opportunities for the business community to engage with the legislative leaders who are instrumental in making and supporting policy that impacts the economic success of the region. Exclusive access to elected and appointed government officials is available via events held by the Bridgeport Regional Business Council and our affiliated Chambers of Commerce in Bridgeport, Stratford, and Trumbull. Moreover, the BRBC enjoys outstanding relationships with government officials at the federal, state and local levels.

The seven town labor market in the Bridgeport Region includes Bridgeport, Easton, Fairfield, Monroe, Shelton, Stratford, and Trumbull. Our Engagement in Bridgeport, Stratford, and Trumbull is enhanced by the hyper-local connection we have with each of these communities via our Chamber of Commerce affiliates. That positive engagement also results in a close working relationship with the economic development departments of each of these municipalities as well as the municipalities of Easton, Fairfield, Monroe, and Shelton.

An important extension of the BRBC is our Government Relations Committee. This volunteer group of dedicated and invested BRBC members includes: Dianne Auger, *St. Vincent's Health Services*; Jacqueline Blake, *Yale New Haven Health Systems*; Al Carbone, *UIL Holdings Corporation*; Susan Cipollaro, *Fairfield University*; Gregg Dancho, Co-Chair, *Connecticut's Beardsley Zoo*; Tom Dillon, *TBD Consulting*; James Gilroy, *PSEG Power Connecticut*; Sandi Hennequin, *Emera Energy*; Timothy Hodges, Co-Chair, *People's United Bank*; George Logan, *Aquarion Water Company*; Katherine Saint, *Schwerdtle Technologies*; Charles Scott, *Tri-State Realty and Insurance*; John F. Stafstrom, Jr., *Pullman & Comley, LLC*; Kelly Wade Bettuchi, *AT&T*. This committee plans and coordinates events, initiatives, and communications that are designed to advance the collective voice of the business community in legislative circles.

We communicate our message of jobs and business growth via our website and a variety of print and digital publications distributed to the business community and in the government sector as a resource.

Our 2018 Legislative Directory is one of those resource publications and we encourage you to use it often. This is an invitation for you to engage the individuals we elected to represent both commerce and community in our region.

You are also invited to share your thoughts and concerns related to growing our local and state economy with the BRBC so that we can effectively carry the collective message of our business region to Hartford, to Washington, D.C., and to our local government officials.

Want to get more involved in the BRBC's legislative efforts on behalf of the business community? Call us at 203.335.3800 or email our President and CEO, Mickey Herbert at [herbert@brbc.org](mailto:herbert@brbc.org)!
